Dear Representor

You should have received a letter from the Council of 8 March 2017 advising that the Local Plan has been submitted for examination and that I have been appointed as Programme Officer. The purpose of this letter is to update you and to provide further information about the examination hearings.

Firstly, the examination hearings will commence at 10.00am on **Tuesday 6 June 2017** at the City Gates Conference Centre, 25-29 Clements Road, Ilford, IG1 1BH. Ten hearing days are scheduled across three weeks. In addition, various documents have now been published which you should be aware of. These comprise:-

- A Guidance Note from the Inspector containing further information about the hearings and how representations should be progressed and details about appearing at the hearings and submitting a written statement in advance;
- A hearings programme; and
- A list of issues and questions to be addressed during weeks 1 and 2 of the hearings.

These documents are attached and these and others relating to the examination are also at:

This webpage will continue to be updated during the examination process. However, please contact me if I can be of assistance or if any part of this letter requires elaboration.

Yours sincerely

Andrea Copsey
