

# EXPLOITATION CAN BE HIDDEN IN PLAIN SIGHT

# STOP THE TRAFFIK

## SPOT THE SIGNS AND HELP CHANGE SOMEONE'S FUTURE.

Each indicator alone may not mean a person is being exploited, but if multiple indicators are present it is more likely that exploitation is occurring.

an employee stays in crowded accommodation owned by employer

someone seems severely tired or overworked

lack of proper work attire or safety equipment

signs of physical or psychological abuse

someone does not seem in control of their wage/money

personal story sounds rehearsed or unclear

reliance on a translator especially in banking settings

someone is not in possession of their documents

## LOOK OUT FOR SIGNS EVERYWHERE YOU GO

However, high risk locations may include:

MASSAGE PARLOURS

CARE HOMES

AGRICULTURE

CONSTRUCTION

HOTELS

BEAUTY PARLOURS

NAIL SALONS

CAR WASHES
